Closing of Fire/Burning Season

Residential Fire and Burning season for the East Umatilla County Rural Fire Protection District will close at dusk on Sunday, June 18, 2017. This action suspends all burning permits issued by the EUCRFPD. The ban goes into effect for the entire 270 square miles protected by the fire district. Those areas include the City of Weston, the City of Adams and the HWY 204 corridor.

An announcement allowing open burning will be issued in October, 2017.

If you have any questions regarding the open burning ban, please call Fire Station one at 541-566-2311

Dave Baty

EUCRFPD Fire Chief
